Here is the forecast for the United Kingdom for daytime tomorrow:
Eastern parts will be mostly dry and sunny. However, plenty of snow showers are expected in the north and west with some heavy showers at times. A few snow showers may blow across to the east, especially in the afternoon. It will be cold and breezy with moderate to fresh westerly winds.

Outlook for Tuesday and Wednesday:
Largely dry with plenty of sunshine on Tuesday, but staying cold, and more cloud and some snow showers are likely across northern Scotland and exposed western and eastern coasts elsewhere. Most places will then be cloudier, but less cold on Wednesday, with some rain in the north.
