Headline:

Sunshine and showers, especially in west and north, some wintry.

Today:

Sunny periods, but also scattered showers. These will be mostly in the north and west, where some will be heavy, and turning to snow over northern hills. Fresher everywhere.

Tonight:

Wintry showers continuing western coasts and hills, especially Northern Ireland and western Scotland. Inland, clear and frosty.

Outlook for Sunday:

Rain moving slowly across southwest England, some snow likely. Sunshine and wintry showers elsewhere.
