++ Valid for broadcast at 2159

Here is the forecast for the United Kingdom for daytime tomorrow:  
Rain or showers across eastern parts will gradually clear during the morning. Elsewhere, there will be a mixture of sunny spells and showers across Northern Ireland and Scotland, possibly heavy and thundery at times. Much of England and Wales will be largely dry with sunny spells. Feeling fresher, but still quite pleasant in the sunshine.

Outlook for Sunday and Monday:

Sunday will see sunshine and showers across the United Kingdom, heavy and thundery in the north. Elsewhere, it will be largely dry with bright or sunny spells. Monday will see a spell of wet and windy weather sweep eastwards, with gales possible in the southwest.
