Here is the forecast for the United Kingdom for daytime tomorrow:
A generally drier and brighter day compared to Saturday with warm sunny spells for many. There will be some heavy showers however, these most likely in the north and west, with a risk of thunder. It will feel less humid than of late.

Outlook for Monday and Tuesday:

A mixture of warm sunny spells and heavy showers on Monday. Eastern and southeastern parts may see some more persistent outbreaks of rain at times. Tuesday will also be showery, with some heavy, thundery bursts of rain at times. However, a brisk breeze should move the showers through quite quickly.
