

National Severe Weather Warning Service

Chief Forecasters Assessment

There is a risk of an isolated thunderstorm developing today. Where this happens, there is the potential for some very heavy rain, but most places should miss these.

The Met Office have issued a **Yellow Warning of Rain**

Valid from **13:00 on Fri, 07th Jun 2013** until **23:00 on Fri, 07th Jun 2013**

Isolated thunderstorms today may lead to some local torrential downpours. The public should be aware of the risk of some disruption to transport through standing water.
