++ Valid for broadcast at 2159

Here is the forecast for the United Kingdom for daytime tomorrow:  
Wintry showers for many areas tomorrow with a chance of an additional covering of snow in places, especially over the hills. Showers turning back to rain across lower-lying areas later. Windy with gales at times in the west, and severe gales in Cornwall. Feeling cold.

Outlook for Wednesday and Thursday:  
Eastern areas seeing most of the wintry showers with a chance of snowfalls on Wednesday. Elsewhere, just isolated wintry showers with plenty of fine weather. Strong northerly winds, slowly easing but still feeling very cold. Outbreaks of rain, sleet and snow may edge into the far west on Thursday, but largely dry elsewhere. Remaining cold.
