

# INDEX.

Accidents from Lightning, 55, 79, 80, 85, 88, 117, 127, 153, 171, 177 .....	184	Evaporator, Prestel's .....	130, 204
American Winter .....	64	Excessive Rain in October .....	169
Aneroid, Tempr. correction of ...	179	Extraordinary Storm at Crow- borough on 24th June.....	127
Another Meteorological Confer- ence.....21, 37, 53,	72	Forests in India .....	178
Arrival of Birds .....	68	„ „, their Relation to Hydro- logy .....	160
Art and Meteorology .....	116, 132	Fulwell, Southern Aurora at .....	3
Astronomical clocks .....	30	Gale of December 8th.....	190, 213
Atmospheric Waves .....	220	Gauges tilted at 45°.....	112, 131
Aurora, Southern .....	1	Geographical distribution of Forests in India .....	178
Banbury, Bad weather ... ..	28	Gradirhausen, Ozone at .....	57
Barnard Castle, Meteor shower ...	189	Greenwich and Kew .....	85
Barometer, Lunar Influence on ...	13	„ „, Lowest Barometer at... ..	12
Barometrical Depression, Jan. 24.	6	Guernsey, Gale at .....	191
„ „ „ Minor .....	25	Halford House, Thunderstorm at	80
Undulations .....	25	Harrow, Heavy Snow .....	43
Birch Tree struck by Lightning .	184	Heat as indicated by the Crops v. the Thermometer.....	158, 172, 192, 206
Books received.....64, 79,	143	High Roding, Southern Aurora .	4
Braemar, Climate of .....	40	Howick, Rainfall in October .....	170
British Association at Brighton...	137	Hydrology, as influenced by Forests .....	160
Buxton, Climate of .....	40	Hygrometer, Chemical .....	155, 199
Cardiff, Heavy Rain .....	132	„ „, Dines's .....	180
Cheap Astronomical Clocks .....	30	Inclined Rain Gauges .....	112, 131
Chemical Hygrometer.....	155, 199	India, Forests in .....	178
Clifton, Gale at .....	190	Indication of Heat from the Crops, 158, 172, .....	192
Climate of Braemar, Buxton, and Worthing .....	40	Introduction.....	1
Clocks, Cheap Astronomical .....	30	Kew and Greenwich.....	85
Coming Summer 28, 152, 158, 172,	192	Kissingen, Ozone at .....	57
„ „ Winter .....	204	Lightning, Accidents from 55, 79, 80, 85, 88, 117, 127, 153, 171, 177, .....	184
Complex Flash of Lightning 153,	177	„ „, Remarkably Complex flash of .....	153, 177
Correction for Daily Range...172,	197	Lowest Barometer at Greenwich .	12
Crops, Heat as Indicated by 152,	158	Luminous Meteors .....	138
172, 192, .....	206	Lunar Influence on the Barometer	13
Crowborough, Extraordinary		Madras, Cyclone, May 2nd. ....	69
Storm at .....	127	Meteorological Conference, Another 21, 37, 53, .....	72
Culloden, Meteor Shower .....	189	„ „, Members at British Asso- ciation, Brighton.....	137
Cyclone at Madras .....	69	„ „, Observations at Patras .	45
Cyclones, Periodicity of .....	141, 209	„ „, Office, Weather Map 24,	205
Daily range correction .....	172, 197	„ „, Papers at British Asso- ciation .....	137
Daily variation in prevalence of Rain... ..156, 172, 174, 198,	212	Meteorology and Art .....	116, 132
Decrease of Rainfall with Eleva- tion .....	17, 35, 44, 58, 171	Meteors, Luminous .....	138, 187, 210
Depression of Barometer .....	6	Minor Undulations in Bar. de- pression.....	25
Dew Point and other Hygrometers	19, 180	Mirage .....	138
Dines's Hygrometer .....	180	Monkstown, Southern Aurora ...	5
Dublin, Meteor shower .....	187		
Earthquake in Patras .....	46		
Elevation, Decrease of Rainfall with .....	17, 35, 44, 58, 171		
Errata .....	29		
Evaporation .....	111, 129		

Natural History Calendar .....	68
New Hygrometer.....	180
Norway Rainfall ... ..	44
Notes on Weather, 15, 32, 50, 66, 82, 114, 134, 166, 182	202
October, Excessive Rain in ....	169
On placing Radiation Minimum Thermometers ... ..	34
Ozonometer Tube .....	138
Patras, Observations at .....	45
Periodicity of Cyclones in the Indian Ocean .....	141
"    "    Potato Disease...	200
Pilton, Southern Aurora at .....	1
Prestel's Evaporator.....	130, 204
Radiation Min. Thermometer ...	34
Rain and Temp. at 50 Stations, 14, 31, 49, 65, 81, 113, 133, 149, 165, 181,	201
Rainfall at Patras .....	48
"    Committee .....	130
"    Decrease with Elevation, 17, 35, 44, 58,	171
"    in October .....	160, 170
"    "    Norway .....	44
"    "    November .....	185
"    of July 26th .....	132
"    "    Sussex .....	162
"    Registered by Inclined Gauges .....	112, 131
Rains, Heavy, at Uckfield ... ..	13
Range, correction for Daily...174,	197
Remarkable fall of Meteors 187,	210
"    Complex flash of Lightning .....	153, 177
Snow, heavy fall at Harrow .....	40
Southern Aurora .....	1
Spring of 1872.....	84
Steyning, Barometric depression	27
"    Waterspout at .....	80
Summer of 1872 .....	152
