

**Yellow warning
Rain**

Between
14:00 Sun 27 Jun 2021 and
10:00 Mon 28 Jun 2021

**Further heavy rain may lead to localised flooding and travel disruption.****What to expect**

- Spray and flooding will lead to difficult driving conditions and perhaps some road closures
- Where flooding occurs, there may be delays or cancellations to train and bus services
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater

Further details

Further heavy rain is likely across southern and southwestern areas of England and parts of south Wales on Monday morning, easing and clearing northwestwards.

On top of what has already fallen, a further 15 to 25 mm is likely in places, perhaps leading to some travel disruption and flooding.

Reason for update

The end time has been extended from 0700 to 1000 and the yellow area shrunk slightly.

✓ Very low likelihood of medium impacts
