

Yellow warning  
**Rain & Snow**

Between  
**02:00 Sat 16 Mar 2019** and  
**13:00 Sat 16 Mar 2019**

**A mixture of heavy rain and snow may bring some travel disruption.**

### What to expect

- Spray and flooding on roads probably making journey times longer
- Bus services perhaps affected by snow in places, with car journeys also taking longer, mainly where routes run across hills

### Further details

Rain and snow will spread to Northern Ireland during the early hours of Saturday, clearing most areas late morning or lunchtime. Most of the snow is likely over hills in the north of Northern Ireland, with possibly up to 2-4 cm around some of the highest routes and towns - but even here it will probably turn to rain for a time. Elsewhere, 20 to 30 mm of rain in 12 hours may bring some flooding.
