Here is the forecast for the United Kingdom for daytime tomorrow:
The winds will ease on Monday but it will stay cold, with early and late frosts.
Most places will be sunny but there will be showers on eastern, and some
western, coasts and they could be wintry on the hills.

Outlook for Tuesday and Wednesday:
Tuesday will start cold and bright for most however rain will move in from the
west, with hill snow possible. The rain will clear to the east into Wednesday
and it will be followed by sunshine and showers. The showers may be heavy at
times though, with hail and some snow over higher ground.
