

FPUK85 EGRR 031600  
Forecast for the UK.  
Issued by the Met Office  
at 1600 on Saturday 3 December 2005

\*\* Valid for Broadcasts Between 1800 and 0600 \*\*

Headline:

Further showers especially near coasts with clear or sunny spells.

This Evening and Tonight:

Showers with some longer spells of rain continuing across the north and around southern and western coasts. Clear spells inland with patchy fog and local ground frost.

Sunday:

Showers locally heavy across northern and western areas, more in the way of sunshine elsewhere.

Outlook for Monday:

Bright or sunny intervals, further showers over the north and west, drier over the south and east.
