

Forecast For The United Kingdom  
Issued by Met Office Exeter  
at 0700 on Monday 23 Feb 2015

++ Valid for broadcast at 0858

Here is the forecast for the United Kingdom until dawn tomorrow:  
Staying unsettled with sunshine and showers, some of which will be heavy with hail and thunder. The showers could also be wintry, especially across higher ground where snow may accumulate. Winds will remain strong with gales in exposure. The windy and showery theme continues overnight but in any clear spells, temperatures will drop leading to frost and ice in places.

Outlook for Tuesday and Wednesday:

Tuesday will stay windy, cold and showery with showers continuing to fall as sleet or snow in places, particularly over higher ground. By Wednesday, strengthening wind and rain will spread in from the west, but temperatures will gradually turn milder.
