Here is the forecast for the United Kingdom for daytime tomorrow:  
It will be a cold and crisp start to the day for many with frost in northern areas. It will be largely dry and sunny across eastern areas. However, there will be showers and sunny spells further to the north and west.

Outlook for Wednesday and Thursday:

The blustery showers shall ease during Wednesday with most areas becoming dry and bright before the end of the day. It will be a cold Bonfire night with frost and perhaps some fog too. Thursday starts dry, but it will turn progressively wet and windy from the west later.
