Here is the forecast for the United Kingdom for daytime tomorrow:
The whole country will have a fine and dry day tomorrow with plenty of sunny spells. It will become windy in the north and west during the afternoon and rain will return to Northern Ireland and western Scotland in the evening.

Outlook for Monday and Tuesday:

Monday will stay dry with sunny periods again for most, though it will be breezy in the north and west. Western Scotland and Northern Ireland will have a rather wet and windy day. Tuesday is expected to be sunny and unseasonably hot for many of us, though there will be some showers in the far west.
