

Forecast For The United Kingdom  
Issued by Met Office Exeter  
at 0700 on Sunday 06 Jul 2008

++ Valid for broadcast at 0858

Here is the forecast for the United Kingdom until dawn tomorrow:  
Today it will be generally unsettled with showers which will be locally very heavy, prolonged and thundery, although there will also be some brighter intervals. It will be windy across exposed southern areas. There will be further heavy showers or outbreaks of rain for many areas tonight, especially parts of northern England. It will remain windy in exposed southeastern areas.

Outlook for Monday and Tuesday:

Another unsettled day on Monday with scattered heavy showers, although most places will also have some sunny intervals. There will be some thunderstorms across parts of England and Wales. Sunshine and showers on Tuesday, although dry in the west later.
