++ Valid for broadcast at 2159

Here is the forecast for the United Kingdom for daytime tomorrow:  
After a little frost in prone rural areas, it will be another sunny day across the UK. There will be less cloud in the southwest, but maybe still a shower or two in Lyme Bay in the morning. Elsewhere there will be only a little cloud at times. Winds will still be from the east but lighter than today.

Outlook for Wednesday and Thursday:  
Wednesday will be another fine day with lots of sunshine, but again a little frosty overnight in rural areas. Thursday will become cloudier in the west later in the day, with rain in Northern Ireland and possibly other western areas.
