

**Yellow warning
Rain**

Between
06:00 Thu 7 Nov 2019 and
06:00 Fri 8 Nov 2019

Prolonged rain through Thursday and overnight into Friday may bring disruption from flooding.

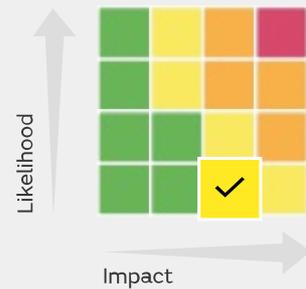

What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities become cut off by flooded roads

Further details

Rain, prolonged and occasionally heavy, will affect much of Yorkshire, along with parts of northeast of England and the north Midlands during Thursday. The rain will gradually ease overnight and clear away during the early hours of Friday.

20-40 mm of rain is expected over quite a wide area, with 60-80 mm falling in a few locations over high ground, through the period.

 Very low likelihood of medium impacts
