

Yellow warning Wind

Between
21:00 Fri 26 Apr 2019 and
15:00 Sat 27 Apr 2019

A spell of strong winds is expected across parts of south Wales, south and southwest England, bringing a risk of disruption to travel.

What to expect

- Some delays to road, rail, air and ferry transport are likely, with bus and train services affected
- Delays for high-sided vehicles on exposed routes and bridges likely
- Some short term loss of power and other services is possible due to fallen branches
- It's likely that some coastal routes, sea fronts and coastal communities could be affected by spray and/or large waves

Further details

Strong winds will push from west to east across parts of south Wales and southwest England late Friday, then across parts central southern England through Saturday. Gusts of 60-70 mph are likely around exposed coasts of south Wales and southwest England, whilst gusts of 45-55 mph are likely across more inland parts of central and southern England on Saturday.

 Medium likelihood of low impacts
