Here is the forecast for the United Kingdom for daytime tomorrow:
Thursday will be cold and cloudy for many of us. It will be breezy too, with occasional sleet and snow showers feeding across eastern and central counties throughout the day. Meanwhile, the west will see the best of the weather with pockets of sunshine here.

Outlook for Friday and Saturday:

It will remain cold over the next few days with widespread overnight frosts. It will be breezy too, with mostly cloudy skies on Friday and Saturday, although some brighter spells are also possible. Rain, sleet and snow showers will continue at times, perhaps becoming more widespread for a time on Saturday.
