++ Valid for broadcast at 0858

Here is the forecast for the United Kingdom until dawn tomorrow:
Today will be a day of sunshine and showers for many places. Some of these will be slow moving and heavy in the north with some thundery downpours possible. Showers will ease in the south through the afternoon with sunny spells. It will be windy across England and Wales with some strong gusts.

Outlook for Friday and Saturday:

Friday will remain unsettled in the north with further showers, but there will be fewer showers across the south with some sunshine. It will be rather cool as we head into the weekend with sunshine and showers on Saturday for most places.
