

Forecast For The United Kingdom
Issued by Met Office Exeter
at 1945 on Wednesday 03 Aug 2016

++ Valid for broadcast at 2159

Here is the forecast for the United Kingdom for daytime tomorrow:
Thursday will see a mixture of sunny spells and showers. The showers will be heavy in places, and will perhaps become locally thundery during the afternoon. It will be less windy across England and Wales than it was on Wednesday.

Outlook for Friday and Saturday:

Friday will see a good deal of fine and sunny weather across many parts. Whilst there will be some showers around; these will be very hit and miss with some areas missing them and staying dry. Into Saturday, and for most it will be dry and fine with warm sunny spells. However, rain and strong winds will affect northwest Britain.
