

FPUK85 EGRR 291600
Forecast for the UK.
Issued by the Met Office
at 1600 on Saturday 29 April 2006

** Valid for Broadcasts Between 1800 and 0600 **

Headline:

Mainly dry overnight. Plenty of dry, bright weather on Sunday.

This Evening and Tonight:

A dry, bright evening for many, followed by a dry night. Scattered showers possible over some central and eastern parts of England.

Sunday:

Showers in southern parts soon clearing. Many places should then be dry with some sunshine, especially eastern parts, but a few showers developing. Rain reaching some western areas during the afternoon.

Outlook for Monday:

Rain clearing eastwards with brighter weather following.
