

Yellow warning
Rain

Between
16:00 Sat 21 Apr 2018 and
03:00 Sun 22 Apr 2018

Thunderstorms are possible, mainly Saturday evening and overnight into Sunday morning.

What to expect

- Some flooding of a few homes and businesses likely.
- Possibly some damage to a few buildings and structures from lightning strikes with some short term loss of power and other services.
- There is a chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus. Delays to train services are possible.

Further details

Thunderstorms may break out from late Saturday afternoon over North Wales, then becoming more widespread over northern England and southern Scotland on Saturday evening and overnight into Sunday morning. These will move northeastwards clearing during the early hours of Sunday.

 Medium likelihood of low impacts
