Here is the forecast for the United Kingdom for daytime tomorrow:
Cloudy start for many with patchy drizzle in places. Brighter across Northern Scotland and Eastern England for a time. Rain and strong winds across Northern Ireland during the morning will push east through the afternoon; but not reaching eastern areas until dusk. Snow over northern hills.

Outlook for Monday and Tuesday:
Sunny spells and showers on Monday and Tuesday. Some of the showers will be heavy with the risk of hail and thunder and snow over the hills. Strong winds in the south on Monday, and more generally on Tuesday. Thicker cloud and outbreaks of rain may push into the far southwest later on Tuesday.
