Here is the forecast for the United Kingdom until dawn tomorrow:
Mild with sunshine for many with light winds in the south. Windy in the north and there'll be some showers, mostly in the morning. Cloudy across Cornwall with some light rain and drizzle. Winds ease later. Overnight cloud and patchy rain arrive from the south west.

Outlook for Friday and Saturday:

Friday will be mainly cloudy with some rain and drizzle, particularly in the west. It will be mild though with some sunshine possible, especially to the north of hills and occasionally in the south-east. A band of rain moves slowly east during on Saturday with drier, brighter weather following on behind.
