Here is the forecast for the United Kingdom for daytime tomorrow:
Tomorrow will be another cool day for early July with sunny spells and showers.
The showers will be across northern and western parts from the word go, and then
extend further south and east through the day. Some of the showers will be heavy
with the risk of hail and thunder.

Outlook for Sunday and Monday:
Sunny intervals and scattered showers for most on Sunday. However, cloud and
patchy rain will run eastwards across southern England during the morning and
early afternoon period. Becoming humid in the south on Monday with some showery
outbreaks of rain. Further north there will be sunny spells and showers.
