Here is the forecast for the United Kingdom for daytime tomorrow:
A largely dry and bright day with lengthy sunny spells, the best of the sunshine in the south. A few light showers are likely for Scotland and Northern Ireland, but with bright or sunny spells in between. Feeling warm with light winds.

Outlook for Thursday and Friday:
Generally dry and sunny across England and Wales on Thursday. Cloudier further north and west, with some outbreaks of rain across northwest Scotland. Friday will continue fairly cloudy in the north, with some showery rain possible as far south as northern England, but elsewhere another warm and sunny day.
