

Forecast For The United Kingdom  
Issued by Met Office Exeter  
at 0700 on Saturday 09 Jul 2016

++ Valid for broadcast at 0858

Here is the forecast for the United Kingdom until dawn tomorrow:  
Rather cloudy with outbreaks of rain across northern and western parts, with some heavy rain likely at times, especially over the hills. However, it will be dry with bright or sunny spells in the south and east. It will feel rather humid for many.

Outlook for Sunday and Monday:

Sunday will see rain clearing the southeast to leave a mixture of sunshine and showers. The showers will be locally heavy and slow-moving in the north. Monday will be similar, with sunshine and showers, with some heavy and possibly thundery downpours. Turning cooler and fresher for all and remaining breezy.
