

FPUK85 EGRR 281600  
Forecast for the UK.  
Issued by the Met Office  
at 1600 on Saturday 28 August 2004

\*\* Valid for Broadcasts Between 1800 and 0600 \*\*

Headline:

Showery rain across some parts tonight & tomorrow. Some sun.

This Evening and Tonight:

Clear spells will develop in the southeast overnight, otherwise a rather cloudy night with patchy light rain or showers. Becoming windy in the north

Sunday:

Rather cool and cloudy over southern parts with some patchy light rain clearing eastwards, followed by a brighter afternoon with a few sharp showers. Cool and windy further north with sunny spells and blustery showers.

Outlook for Monday:

A few showers. Rather cool and windy in the northeast, warmer in the south with sunny spells.
