++ Valid for broadcast at 2159

Here is the forecast for the United Kingdom for daytime tomorrow:

Rain gradually clearing western parts, leaving murky conditions and some patchy light rain, with winds easing. Rain persisting in the south east. Further north, brighter with sunshine and showers across Scotland and Northern Ireland. Milder everywhere than it was on Sunday.

Outlook for Tuesday and Wednesday:

Tuesday, rain slowly clearing the southeast, becoming sunnier. Sunshine and scattered showers across Scotland and Northern Ireland with brisk winds. Elsewhere fine and dry with sunny spells. Wednesday, mainly fine and dry with sunny spells in the south, especially the south east. Strong winds in the far north west, scattered showers across northern parts.
