Here is the forecast for the United Kingdom for daytime tomorrow:
Rain will clear from eastern and southern parts of England on Saturday morning, leaving a bright and breezy day. Blustery showers are likely in the northwest, which will be wintry over hills. Feeling noticeably cooler for all, especially with a brisk wind.

Outlook for Sunday and Monday:
A spell of rain will move across central parts of the UK on Sunday, clearing through the afternoon. Fine in the southeast, but cooler in the north, with some wintry showers. Monday will be generally warmer with some sunshine, although cloudier and windy in the north with rain in the far northwest.
