

FPUK85 EGRR 061600
Forecast for the UK.
Issued by the Met Office
at 1600 on Friday 6 October 2006

** Valid for Broadcasts Between 1800 and 0600 **

Headline:
Very windy tonight but becoming drier.

This Evening and Tonight:
A very windy night with gales in places. Showery rain in the north
this evening will die out overnight then all parts seeing clear
spells. Feeling chilly.

Saturday:
Most places dry, bright and breezy. Thicker cloud and rain reaching
western and northern Scotland later.

Outlook for Sunday:
Many places dry and fine. Cloudier in the west with rain later,
spreading to all parts overnight.
