Here is the forecast for the United Kingdom for daytime tomorrow :
Saturday:-Many places starting cold and frosty, then dry and sunny.
Early snow showers over S.England should clear during the morning.
Further snow showers mainly over N.Scotland, with some across
N.Ireland, and exposed parts of Wales, and into the Midlands. Some
wintry showers also affecting eastern coastal parts of England. Cold,
with winds becoming strong across N.Scotland later. Frost returning
widely by evening.

Outlook for Sunday and Monday:
Sunday will see a mixture of wintry showers, and sunny spells.
Showers mostly of snow in north and east. Similar on Monday with
further wintry showers, but cloudier in far northwest. Cold or rather
cold, and breezy.
