

Forecast For The United Kingdom
Issued by Met Office Exeter
at 1945 on Saturday 28 Jun 2014

++ Valid for broadcast at 2159

Here is the forecast for the United Kingdom for daytime tomorrow:
A fine and dry day for many with sunny spells, although a few showers are still possible, especially in the east where they may be locally heavy for a time. Feeling warmer across central parts with more sunshine compared to Saturday.

Outlook for Monday and Tuesday:
Fine and dry for many parts on Monday with sunny spells, but a few light showers are possible, mainly in the east. On Tuesday, after a bright start cloud will develop, bringing scattered, mostly light showers. In the far southwest of the UK, it will be breezy with a chance of rain.
