

FPUK85 EGRR 060400
Forecast for the UK.
Issued by the Met Office
at 0400 on Thursday 6 July 2006

** Valid for Broadcasts Between 0600 and 1200 **

Headline:

Warm, humid with thundery showers. Cooler, damp in west later.

Today:

Grey start, then sunny spells. Thundery rain or showers in the southwest developing more widely, some heavy downpours for eastern areas especially. Very warm and humid, though cooler and damp in the west later.

Tonight:

Thundery showers dying out. Cloudy, rather damp weather spreading eastwards.

Outlook for Friday:

Some sunny intervals with plenty of dry weather, but with some rain or showers in places.
