

FPUK85 EGRR 041600  
Forecast for the UK.  
Issued by the Met Office  
at 1600 on Saturday 4 June 2005

\*\* Valid for Broadcasts Between 1800 and 0600 \*\*

Headline:

Showers, easing tonight. Rain spreading to southern parts through tomorrow.

This Evening and Tonight:

Showers, heavy at first in northeast, easing this evening. Many parts then dry tonight, but cloudier in northeast with patchy light rain.

Sunday:

Rain, heavy in places, reaching far southwest around dawn, moving northeast across southern parts England and parts of Wales. Reaching southeast England later. Drier and brighter further north, though some showers.

Outlook for Monday:

Rain in south clearing. Then mainly dry.
