

Forecast For The United Kingdom
Issued by Met Office Exeter
at 0700 on Sunday 20 Aug 2017

++ Valid for broadcast at 0858

Here is the forecast for the United Kingdom until dawn tomorrow:
It will be a dry for many with warm sunny spells. Cloud, rain and drizzle will slowly moving into the southwest, turning heavy at times. It will feel cool under cloud and rain at first, but it will become more humid later.

Outlook for Monday and Tuesday:

Skies will cloud over for all parts on Monday. There will be heavy bursts of rain in the northwest, but some warm and humid bright spells are possible at times in the south. Rain will continue in the north on Tuesday, but it will be dry, very warm and humid across the south.
