

FPUK85 EGRR 020400  
Forecast for the UK.  
Issued by the Met Office  
at 0400 on Sunday 2 November 2003

\*\* Valid for Broadcasts Between 0600 and 1200 \*\*

Headline:

Rain clearing, followed by bright spells and showers. Very windy.

Today:

Rain clearing from all parts by early afternoon. Brighter weather following but there will be squally showers, especially in western parts, with thunder a possibility. Very windy with gales or even severe gales in places.

Tonight:

Showers continuing in western and some southern parts. Many eastern areas dry. Gales or severe gales in places.

Outlook for Monday:

Bright spells and showers. Winds easing later.
