Editor: B.R. May

Editorial Board: R.J. Allam, W.H. Moores, P.R.S. Salter, P.G. Wickham

Vol. 118

No. 1398

Contents

	Page
Real-time analysis of precipitation using satellites, ground-based radars, conventional observations and numerical model output. C.G. Collier, D.M. Goddard and B.J. Conway	1
An introductory review of fronts. Part II: A case-study. D.A. Bennetts, J.R. Grant and E. McCallum	8
Direct use of satellite sounding radiances in numerical weather prediction. J.R. Eyre and A.C. Lorenc	13
Noctilucent clouds over western Europe during 1987. D.M. Gavine	16
Reviews	
Acidification of freshwaters. M. Cresser and A. Edwards. <i>F.B. Smith</i>	18
Environmental meteorology. K. Grefen and J. Löbel (editors). <i>F.B. Smith</i>	19
Books received	19
Satellite photographs — 31 October 1988 at 0206 GMT	20

Contributions: It is requested that all communications to the Editor and books for review be addressed to the Director-General, Meteorological Office, London Road, Bracknell, Berkshire RG12 2SZ, and marked 'For *Meteorological Magazine*'. Contributors are asked to comply with the guidelines given in the *Guide to authors* which appears on the inside back cover. The responsibility for facts and opinions expressed in the signed articles and letters published in *Meteorological Magazine* rests with their respective authors. Authors wishing to retain copyright for themselves or for their sponsors should inform the Editor when submitting contributions which will otherwise become UK Crown copyright by right of first publication.

Subscriptions: Annual subscription £28.00 including postage; individual copies £2.50 including postage. Applications for postal subscriptions should be made to HMSO, PO Box 276, London SW8 5DT; subscription enquiries 01-211 8667.

Back numbers: Full-size reprints of Vols 1-75 (1866-1940) are available from Johnson Reprint Co. Ltd, 24-28 Oval Road, London NW1 7DX. Complete volumes of *Meteorological Magazine* commencing with volume 54 are available on microfilm from University Microfilms International, 18 Bedford Row, London WC1R 4EJ. Information on microfiche issues is available from Kraus Microfiche, Rte 100, Milwood, NY 10546, USA.
