

**Yellow warning**
Wind

Between
15:00 Fri 22 May 2020 and
05:00 Sat 23 May 2020

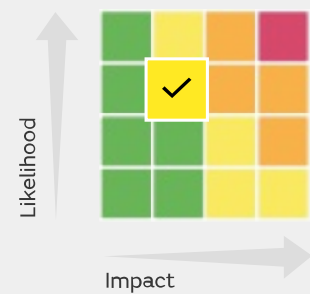

Strong winds may cause some travel disruption later today and overnight into Saturday.

What to expect

- Some delays to road, rail, air and ferry transport are likely
- Delays for high-sided vehicles on exposed routes and bridges likely
- Some short term loss of power and other services is possible
- It's likely that some coastal routes, sea fronts and coastal communities affected by spray and/or large waves

Further details

A spell of unseasonably strong south-westerly winds will affect parts of north-west Scotland, particularly the Western Isles later today, easing during the early hours of Saturday. Gusts of 60-65 mph are expected, with the possibility of a few gusts of 70-75 mph in exposed parts of Barra, North and South Uist.

✓ Medium likelihood of low impacts
