Here is the forecast for the United Kingdom for daytime tomorrow:
Tomorrow will be cold, dry and breezy for most and there will be gales along the east coast. There will be sunshine inland, but there will be heavy showers near western and especially eastern coasts. There will be a few wintry showers over northeastern hills.

Outlook for Sunday and Monday:
Sunday will feel cold again in a bitter north wind. There will be some dry, sunny weather inland, but showers will affect coasts again, and there'll be wintry showers on northeastern hills. Winds will drop on Monday and many people will have a dry pleasant day. There will be more showers in the far east.
