Here is the forecast for the United Kingdom for daytime tomorrow:  
Many eastern parts will stay dry and rather cool tomorrow, with a fair amount of sunshine. However, spells of heavy rain will affect northern and western parts, as well as the south coast. There will be some sunshine in these parts too but it will feel chilly, with winds strengthening later.

Outlook for Saturday and Sunday:

The weekend will be cold and windy, with frosts more widespread. There will be plenty of dry and sunny weather inland, but showers will affect coastal areas, giving hail, sleet and perhaps snow at times. It will be windy this weekend.
