++ Valid for broadcast at 2159

Here is the forecast for the United Kingdom for daytime tomorrow:  
Apart from a few light showers most western and southern parts of the United Kingdom will be dry and bright with sunny spells, although rain will spread into Northern Ireland towards evening. Eastern parts of both England and Scotland will have further showers, heavy in places, and wintry at first over the eastern Highlands.

Outlook for Monday and Tuesday:

On Monday and Tuesday the western side of both Scotland and Northern Ireland, along with Cumbria, will be very wet and windy with widespread heavy rain. On the other hand central, southern and eastern England and southern and eastern Wales will be mainly dry and bright.
