

Yellow warning Thunderstorm

Between
11:00 Wed 7 Aug 2019 and
22:00 Wed 7 Aug 2019

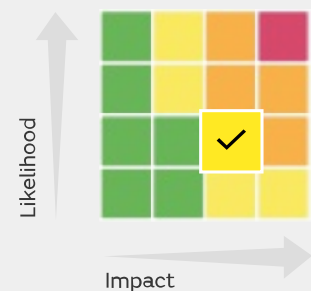

Thunderstorms may bring some disruption on Wednesday afternoon and evening.

What to expect

- Flooding of homes and businesses could happen quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- Power cuts might occur and other services to some homes and businesses could be lost

Further details

Thunderstorms are expected to develop across much of Scotland by late Wednesday morning and through the afternoon, then slowly die out during the evening. Though some areas will miss these thundery showers, others could see 20mm within an hour and 30-40mm within 3 hours, as well as lightning and some hail.

 Low likelihood of medium impacts

Issued at 09:38 Mon 5 Aug, 2019
