

**Yellow warning
Snow**

Between
06:00 Mon 2 Apr 2018 and
23:59 Mon 2 Apr 2018

**Heavy snow is expected over parts of Scotland, especially for high ground.****What to expect**

- Some roads and railways are likely to be affected with longer journey times by road, bus and train services

Further details

As a weather system moves in from the south and comes up against cold air over Scotland, rain will turn to heavy snow in places. Around 2-5cm of snow is expected to accumulate in places, mainly above 200 m with the possibility of a few cm of wet snow gathering locally at lower levels. The snow is likely to be affecting southern parts of the warning area in the morning spreading northwards to other parts later in the day. Snow is likely to gradually turn to rain across the Southern Uplands later on Monday.

 Medium likelihood of low impacts
