++ Valid for broadcast at 0858

Here is the forecast for the United Kingdom until dawn tomorrow:  
It will be a fine day for many with plenty of strong sunshine, this perhaps a little hazy at times across England and Wales. Across Northern Scotland it will be cloudier with some light rain in Shetland. Most will have a very warm day, but it will be less humid in the south.

Outlook for Tuesday and Wednesday:  
Tuesday will see another generally fine day with sunny intervals, but it will be very warm and increasingly humid. Thundery showers will reach the southwest later before spreading to many areas overnight and then northwards on Wednesday, leaving another hot and humid day in the south.
