Here is the forecast for the United Kingdom for daytime tomorrow :  
Much of England and Wales will have a dry, fine day with some pleasant sunshine, once mist, fog and low cloud clears away from southern parts. A few showers are possible across parts of northern England and north Wales at times but these should be isolated. Much of Northern Ireland and Scotland should also be dry and bright but showers will affect some northern and western areas, mainly northwest Scotland where some could be heavy, and wintry on hills. Feeling pleasantly warm in the sunshine.

Outlook for Thursday and Friday:  
Chance of some rain across parts of Scotland on Thursday. Otherwise mainly dry and bright.
