Here is the forecast for the United Kingdom for daytime tomorrow:
The strong winds will continue through the day tomorrow with yellow and amber warnings in force. We'll see some heavy and gusty showers pushing eastwards across southern parts through the morning and a mix of sunshine and showers across the country through the rest of the day. It will feel much cooler than of late with temperatures closer to average.

Outlook for Saturday and Sunday:

After a chilly start with bright spells we will see a band of heavy rain pushing in from the west on Saturday, giving a very wet and windy day. The unsettled weather will continue into Sunday but feeling mild again.
