++ Valid for broadcast at 2159

Here is the forecast for the United Kingdom for daytime tomorrow:
It will be mostly cloudy and cool with further persistent rain over Wales,
central and eastern England. Some sunny spells across Scotland, particularly in
the east, but with a chance of a few light showers too. Southern England may see
some brightness but with showers, perhaps heavy, during the afternoon.

Outlook for Monday and Tuesday:

Mainly cloudy with rain or drizzle clearing the south by midday on Monday.
Elsewhere, rather cloudy with a few light showers. Some bright spells at first
on Tuesday but with rain or showers spreading from the southwest, some heavy and
thunderous.
