++ Valid for broadcast at 2159

Here is the forecast for the United Kingdom for daytime tomorrow:  
Sunday will be a day of sunshine and showers. Showers will be most frequent across Northern Ireland and Scotland, with a chance of a few heavy and thundery showers at times. Across England and Wales, a band of showers will track eastwards through the day, with dry conditions and sunny skies elsewhere.

Outlook for Monday and Tuesday:

A band of rain and strong winds will sweep across the UK on Monday, with some heavy bursts of rain possible at times. However, rain may clear away from Northern Ireland early in the morning. This will be followed by frequent blustery showers on Tuesday for many places.
